

Solve the Mystery Challenge

Story Setup

A mysterious figure has been sneaking around the party... leaving clues, dropping odd objects, and acting suspicious. Your job? Work together to figure out WHO the culprit is, WHAT they stole, and WHERE they hid it.

How It Works

Players race to collect clues hidden around the party space. Each clue eliminates suspects, stolen items, or hiding spots until only one combination remains. First team to crack the case wins.

Suspects

Mark each suspect you eliminate as you find clues.

- ☐ The Ghostly Gamer – always near the snacks
- ☐ The Glitter Witch – leaves sparkle trails everywhere
- ☐ The Pumpkin Prankster – obsessed with jump scares
- ☐ The Midnight DJ – never seen without headphones
- ☐ The Shadow Skater – moves fast and quietly

Stolen Items

Cross off items as clues rule them out.

- ☐ Glow-in-the-dark slime
- ☐ Bluetooth speaker
- ☐ Bag of king-size candy
- ☐ LED strobe wand
- ☐ Mystery envelope

Possible Hiding Spots

Check off locations as you eliminate them.

- ☐ Under the snack table
- ☐ Behind the photo backdrop
- ☐ Inside the cauldron
- ☐ In the backyard shed
- ☐ Up in the attic

🏆 Final Reveal Section

Write your final guess:

Suspect: _____

Stolen Item: _____

Hiding Spot: _____

Team Name: _____

Clue Cards to Hide Around the Party

The culprit avoids loud music.

No one screamed during the crime.

The hiding spot is indoors.

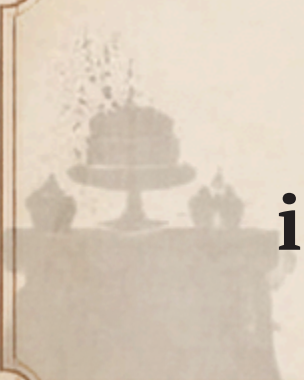

The thief didn't rush.

The stolen item stayed dark in the shadows.

Witnesses did not hear footsteps going up or down.

The hiding spot is NOT near food.

The suspect didn't have any papercuts or potion burns.
